

LetsUpgrade JavaScript Essentials Assignment - 3

Question 2:

Write a javascript program that generates an alert "Not legal age to drive" if the driver age is below 18 years old, if driver age is greater than or equal to 18, it generates an alert "Drive safe".

Answer:

```
javascript.html x
1  <!DOCTYPE html>
2  <html>
3  <head>
4    <title></title>
5  </head>
6  <body>
7
8    Enter Your Age:
9    <input type="text" id="age"><br><br>
10   <button onclick="checkAge()">Submit</button>
11
12   <script>
13     function checkAge()
14     {
15       var age = document.getElementById("age").value;
16
17       var age1=parseInt(age);
18
19       if(age<18){
20
21         alert("Not legal age to drive");
22       }
23       else{
24
25         alert("Drive safe");
26       }
27     }
28   }
29 </script>
30 </body>
31 </html>
```
